Dedication

Michael Christopher Jones
June 7, 1969 — November 10, 1988

Michael was born on June 7, 1969, in Merion, Pennsylvania and resided for most of his life in Malvern, Pennsylvania. He was a member of St. Patrick's Roman Catholic Church and was active in the Chester Valley Baseball Association and the Chester Valley Soccer Association.

Michael graduated from Malvern Preparatory School in the spring of 1987 and enrolled in Elizabethtown College in the fall of the same year. He had many interests, including automobiles and music. However, his real love was sports, which he enjoyed both as an active participant and spectator. During his high school years, he concentrated on soccer and was a three year starter on the Malvern Varsity team. He also was a member of the Chester Valley "Select" team which was active year round in both league and tournament play.

Michael was an easy going, friendly young man who will be deeply missed by his family and many friends both at school and at home.

Nora Susan Eichlin
October 1, 1968 — December 10, 1988

Nora graduated from Muhlenburg High School, Muhlenburg Twp., Pennsylvania, June 1986 with an excellent academic record. She was involved with cheering, softball (most valuable player), student council, and was the elected class historian.

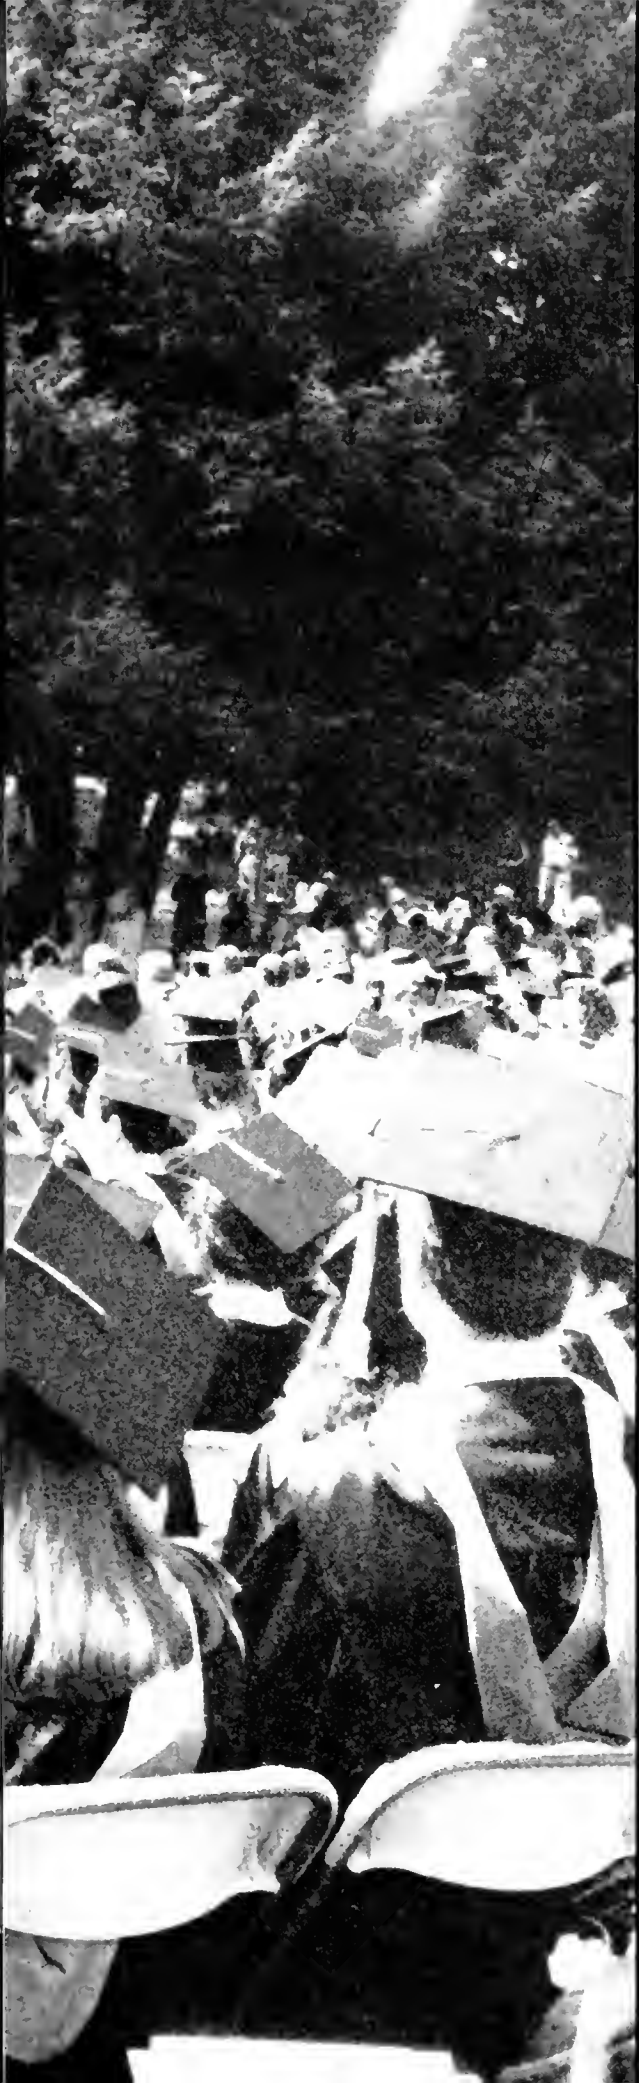

Nora was a four year veteran of McDonalds and was always willing to work the last shifts. Her last two summers were spent at the Maiden Creek Camp working with severely retarded young children, which she really enjoyed. Nora had the wonderful ability to get the most unfortunate of these children to respond positively to her.

At Elizabethtown College, Nora was enrolled in the Occupational Therapy Department. She was an excellent student who greatly enjoyed her departmental studies. She was involved with dorm life and was a loyal hall member of Founders C-2. Nora was a member of Phi Theta Epsilon and on the Dean's List. She intended to get involved with pediatric therapy upon completing her studies.

Nora's hobbies were needlework, sketching, ceramics, arts and crafts, and catching the new movies.

Senior Class Worship Service

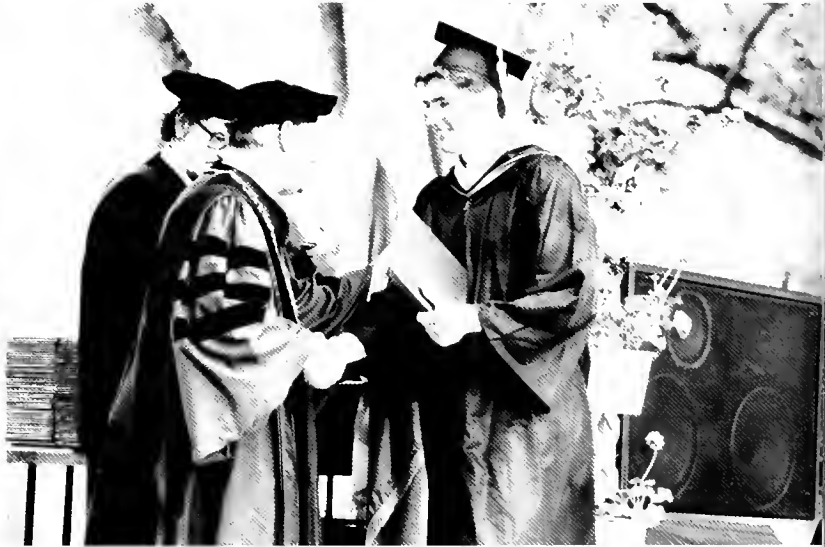

This year's Senior Class Worship Service was held graduation morning, and was standing room only. This annual service is conducted by and for graduating seniors, to give them one last opportunity to be in worship together. Many senior class members participated in this memorable event, ranging in roles from singing to signing special songs. Several graduates even shared special memories of their college careers with the audience. Many tears were shed, but many smiles also appeared at this joyous time of celebration.

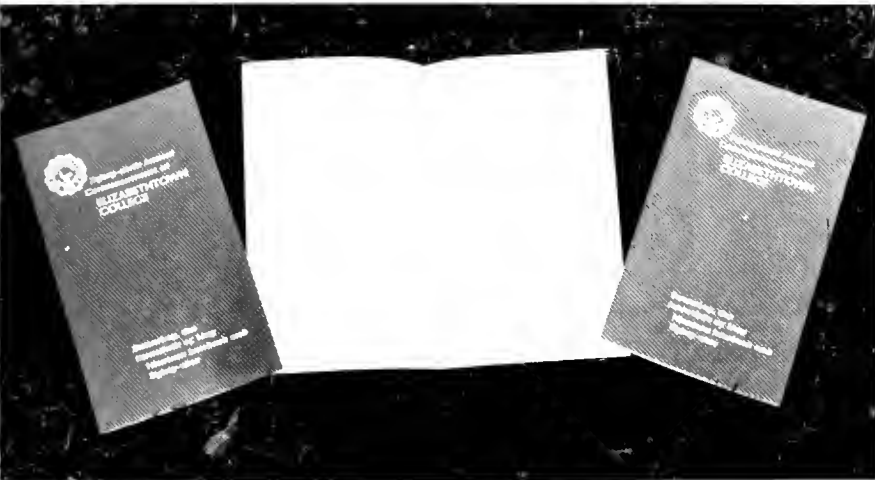

Graduation 1989

Graduation Day 1989 dawned sunny, but very hot and humid. Somehow, that didn't seem to dampen any spirits as many gathered to wish the seniors well. Because the weather did cooperate, the ceremony was held in the Dell. Honorary degrees were conferred upon Carlos Leffler, John Hostetler, and Nathan A. Scott Jr. Dr. Scott was the commencement speaker, who delivered an inspiring message to those assembled. The first Phares Hertzog Award was given to Dean Joe Shaw for his many years of dedicated service to the college. Although graduation brings many tears, for it marks the end of a student's college career, it also marks the beginning of a very bright future. Good luck graduates, we wish you well.

The revisions of the College's alcohol policy was a hot issue on campus for most of the fall semester of 1988. The changes left many students confused or angry. The state's passage of Act 31, which made schools more responsible, and required heavy penalties for those supplying minors, precipitated some of the College's policy changes.

Limits were placed on the number of students allowed in a room, and even students over the age of 21 were not able to drink.

Some students became concerned about the effect the policy changes were having on the college's social life, fearing that Elizabethtown College was becoming a "suitcase college." Despite this, the Student Life Administration noted no decrease of students on campus on the weekends.

The college found itself in a unique position because Elizabethtown College and its Church of the Brethren tradition do not officially condone the use of alcohol. The policy was eventually revised in late 1988 to allow 21 year-olds to drink, provided it was in a private place and wasn't obtusive.

Elizabethtown College was reaccredited by the Middle States Association of colleges and schools in 1989. The college was evaluated by a visitation team consisting of education and administration members from other institutions of higher learning. As part of the process, which occurs every ten years, the college had to prepare an in-depth self-study that looks at areas such as faculty, students, library resources, student life, academic curriculum, and admissions.

The college's self-study, composed by groups of Elizabethtown students, administrators, and faculty, is then examined by the visiting team, who then issues its report on the college, citing areas for improvement and areas of strength. Provost Frederick Ritsch stated in the April 28 Etownian, that the college's self-evaluation was pretty much on the mark. "Some areas in the visitation team's report in many ways actually underlined the validity of our own self-study", he said.

Several major-name speakers were brought to campus in 1988 and 89, from noted poets to a former secretary of labor. In February, Sonia Sanchez, a world renowned poet and author spoke as a part of the Monday at 10 series. Sanchez is a teacher and spokesperson for the movement to make black studies a vital part of the educational curriculum. She has won several awards including the American Book Award and the Lucretia Mott Award.

In April, William E. Brock spoke in Gible Theatre about "The Busch Administration's Agenda for the 1990's: Issues — Trade, Deficits, and Debt." He was ex-secretary of labor for 1985-87. He emphasized the importance of straightening out trade problems and the federal deficit.

Elizabethtown College gained quite a bit of recognition in 1988-89 as **U.S. News and World Report** ranked the college number 12 of the best small comprehensive colleges in the nation. The magazine described a comprehensive college as one that awards more than one half of its baccalaureate degrees in two or more occupational or professional programs. The college was also rated one of the five most selective in admissions among 167 small comprehensive colleges.

U.S. News said of small comprehensive colleges that, "these schools with fewer than 2,500 students have discovered a host of ways to set themselves apart from the crowd."

Barron's Educational Series, Inc. also upgraded Elizabethtown's rating from "competitive" to "very competitive" in 1988. The higher rating was based on three factors: average SAT scores, highschool rank, and number of applicants to the college.

The spring of 1989 saw the beginning of the new High Library. The groundbreaking ceremony was held in March, 1989 to start the \$6 million dollar library. John Shaeffer, College Treasurer, said the library construction was about \$7500 under budget and if all went well, the library should be ready for the fall of 1990.

Plans for this spring semester were not just concentrated on the new library. Firstly, the current Public Safety building was demolished. Arrangements also had to be made for Zug Memorial. Through a few renovations, Zug will house the music department as well as some student service offices. Rider, the current music hall, will then be demolished and more student offices will be located in the BSC. Through these outstanding plans for the future, complications were bound to arise. The current commuter lot was blocked off because that is the construction site of the new High Library. Thus the parking situation was aggravated even more. Baugher Avenue had limited parking space as well as surrounding campus streets. All in all, the excitement is in the air of watching the new library materialize and everyone is anxiously awaiting its completion.

The Conestogan has had many ups and downs this year. With an unavoidable late start and many unforeseen problems, the book saw its share of difficulties. However, this book signals a start of many firsts. Due to previous financial hardships, it was up to the 1989 Conestogan Staff to try to produce enough funds to publish this edition as well as help insure the publication of future editions. To accomplish this, we brought back the much needed marketing techniques in various formats.

Many changes occurred at Elizabethtown College this year and we hope that the pages of this book reflect those changes. Coinciding with change is usually growth and we hope that these pages are a reflection of that also.

We'd like you to know that despite the obstacles we've encountered, this book represents the best efforts of several people. A special thanks goes out to our publisher Herff Jones and to our photography company, Davor Studio. An even larger thanks goes out to the dedicated students on our staff and to the Applied Communication students that made this book possible.

Once again, thanks for all the hard work and dedication!

Special Events

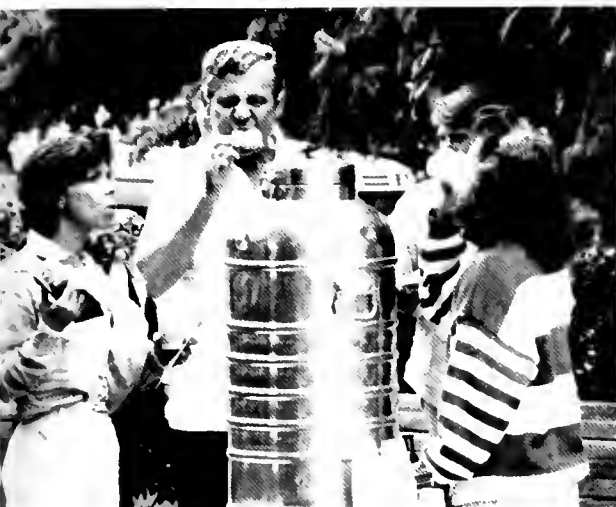

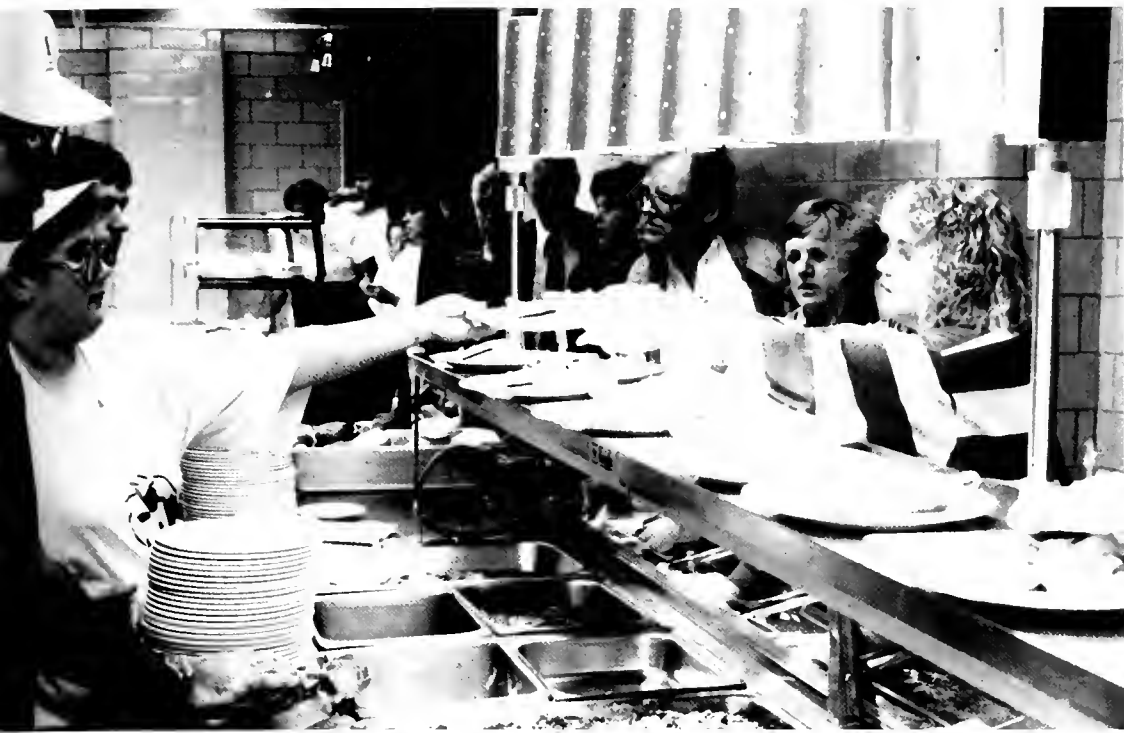

Parents Weekend

Parents Weekend for both freshmen and upperclassmen alike, is an enjoyable time for all. Each year, Moms and Dads are able to spend time with their favorite Elizabethtown College students. This year's special weekend was jam packed with plenty of activities to partake in. Firstly there was a Talent Show on Friday evening, followed by the many sporting events on Saturday. Saturday evening was free for some students to escort their parents to the play, "Animal Farm," performed in the Alumni Auditorium. The Parent of the Year Award was another event not to be missed, which was held on the terrace of the BSC. As well as these special events, parents and their students could be found all over campus including the cafeteria and the bookstore.

Talent Show

This year's Talent Show was one not to be missed! Many talented students took part in this year's show featuring everything from skits to music to comedy. All in all, everyone participating as well as spectating had an enjoyable time. It was a wonderful way to kick off Parent's Weekend.

Father of the Year

The annual "Father of the Year Award" was presented to Mr. James F. Ruffner this year during Parent's Weekend. As well as at the other activities of this weekend, many people were present to share in Mr. Ruffner's excitement.

Animal Farm

“Four legs good, and two legs bad” echoed on stage as George Orwell’s farm animals fought for dominance over man. American democracy takes a light detour in the play, “Animal Farm”, where the principle is “all animals are created equal”. As the characters interacted, the ongoing power struggle came to the inevitable conclusion that: all animals are created equal, but some animals are more equal than others.

The National Players, a unique acting company originated from Catholic University, began in 1949 as a scrap of the Drama departments’ most talented graduates. In its thirty-ninth season, the company visited Elizabethtown once again to perform for interested parents and students which created a cultural addition to this year’s Parents’ Weekend.

Crop Volleyball

This year's CROP Volleyball Marathon was a great success, raising a record of \$3,700. The money raised is used to help stop hunger. Twenty-two teams participated, including the administrative team. All in all, everyone who participated had a great time, whether they won or lost, knowing that their efforts benefited the hungry.

Convocation

Convocation was held September 12, 1988, under sunny skies. The Reverend Dr. William Sloane Coffin presented the Convocation address, telling the students, faculty and friends in attendance that the three things necessary to survive in this world are "truth, justice, and peace." Coffin, a former chaplain at Yale, ended his message with these words: "Those people who struggle for a day are good. Those people who struggle for a year are even better. But those who struggle for a lifetime are indispensable."

Homecoming

The cold and rain did not stop Homecoming from being a hit. Following tradition, Midway activities in Thompson Gym and the Alumni Fun Run kicked off the day. A special buffet was held in Myer Cafeteria for students and alumni. The evening was topped off with a concert by the Kingston Trio. The highlight of the day was the men's varsity soccer victory against Messiah College. The Blue Jays defended their Division III first place position, defeating Messiah 1-0. During halftime, senior Harriet Wixson was named Homecoming Queen. Ten classes held reunions, led by the Golden Anniversary Class of 1938.

Halloween

October 31, 1988 ... Halloween once again found its way to Elizabethtown College. The annual Haunted House was held in the depths of Rider Hall, which added a touch of mystery for all. This along with a few added decorations of Ober added to the fun-filled weekend. Many students also took part in the APB-sponsored trips to the caverns of Indian Echo and the hayrides of Jason's Woods.

The Nearly-Wed Game

The Nearly-Wed Game was a type of reenactment of the "Newly-Wed Game" which is a popular game show on night time T.V. As on the T.V. show, the girls were asked questions about their boyfriends as well as guys being asked questions about their girlfriends. Much was revealed about each couples' relationship including a few surprises along the way. A good time was had by all — spectator as well as participant.

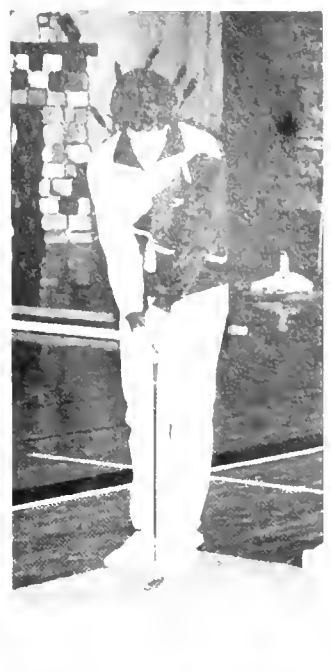

Country Club Dance

This "Country Club Dance Party" was a production of Ray Boston and included many attractions. An 18-hole miniature golf course was the main attraction, including sand traps, water hazards, and a pro shop. Students also took advantage of the snacks and non-alcoholic beverages provided as well as the DJ accompaniment. This special event created a good time for all who attended.

Beach Party

This special event produced by Ray Boston was a true success! Plenty of music was offered to dance the night away, as well as everyone's all-time favorite ice cream from Haagen-Dazs. Mini pools were provided for students who were interested in taking dips in the water, a beach with sun lamps could also be found but not before trying your skill at the game Twister. These plus many other events were what made this night so special.

Three Faces of Sir Noel Coward

The Elizabethtown College Theatre Division presented "The Three Faces of Sir Noel Coward", three plays by the Master of British Comedy. The "Ways and Means" portion of this production was a light comedy containing three scenes about a poor couple who suddenly found themselves in the money. The "Fumed Oak" portion was an unpleasant comedy about a husband who could no longer take the pressures of being a husband and a father. The last portion of this play was "Post-Mortem". This play consisted of a dark commentary on war as a mother's dead son's spirit comes back to communicate with her.

Holiday Dinners

Thanksgiving and Christmas holiday dinners are part of a treasured tradition at Etown. On Thursday, November 17, students were served a Thanksgiving turkey dinner with all of the trimmings. Administrators, faculty and staff served 178 turkeys and other goodies to the students in attendance.

Santa came early to the College, making an appearance at the annual Christmas buffet, held in Myer Dining Hall. Students got a break from the end of the semester blahs, enjoyed a complete Christmas dinner, and got a chance to tell Santa their wishes. (Maybe an A in that geometry class ... ?)

Junior/Senior Dinner Dance

The Eden Resort Inn in Lancaster was the site of the 1989 Junior/Senior Dinner Dance. This event is an annual affair presented by the junior class, that gives upperclassmen an opportunity to enjoy an evening of elegance and fun.

Big Brother/Sister Day

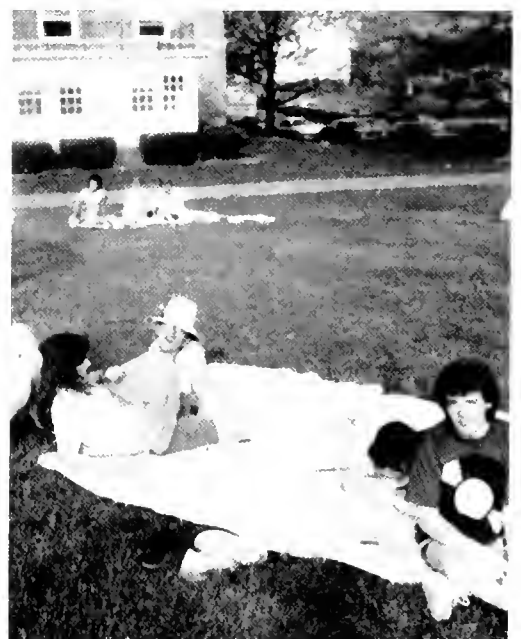

Children from inner-city Harrisburg came to campus for a day of swimming, playing ball and just palling around campus with their "big brother" or "big sister." This event is a part of TGIS weekend, and provides many memories for both the big and little participants.

TGIS Weekend

TGIS Weekend heralds the beginning of spring on the Etown campus. TGIS featured a buffet in Thompson gym, with lots of good food (as usual), on Saturday evening. Battle of the Bands was held in the Alumni Auditorium, while booths from different organizations were set up in the BSC Lounge. A picnic was held Sunday evening outside of Myer Dining Hall, featuring live music. It was a great way to greet the new season and say goodbye to winter.

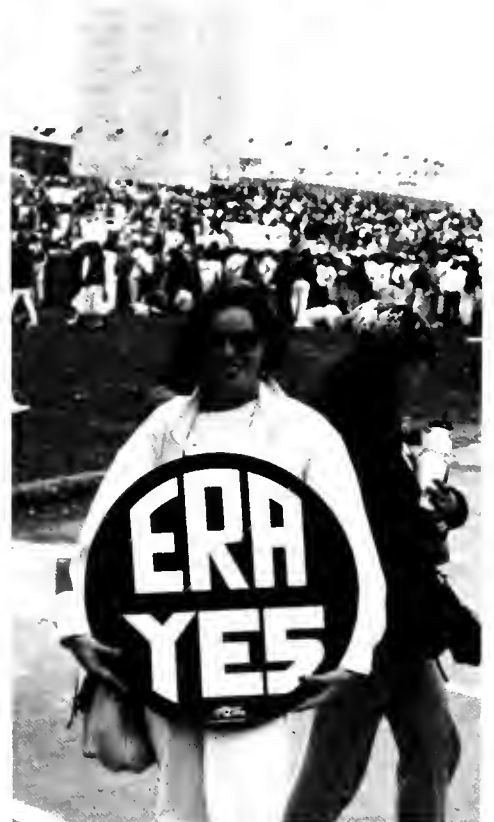

1989 Awards Ceremony

The 1989 Student Awards Ceremony was held as part of Monday at 10 in Gibble Auditorium. The ceremony is held to recognize excellence in sports, academics and service. Students receiving awards come from all parts of the College community.

March for Women's Equality

On April 9, 1989 Elizabethtown students, faculty and staff journeyed to Washington D.C. to take part in the March for Women's Equality/Women's Lives." The march was held to draw attention to important women's issues.

The Year In Review

Gretchen Elizabeth Carlson erupted in tears as her name was announced as Miss America 1989. The 22 year-old Miss Minnesota, who planned to be a Harvard-trained lawyer, became the first classical violinist to win the Miss America crown.

The Democrats went to Atlanta in the summer of 1988, and decided on Michael Dukakis, the governor of Massachusetts, to be their candidate for President of the United States. He decided to pick Lloyd Bentson, a senator from Texas, as his running mate.

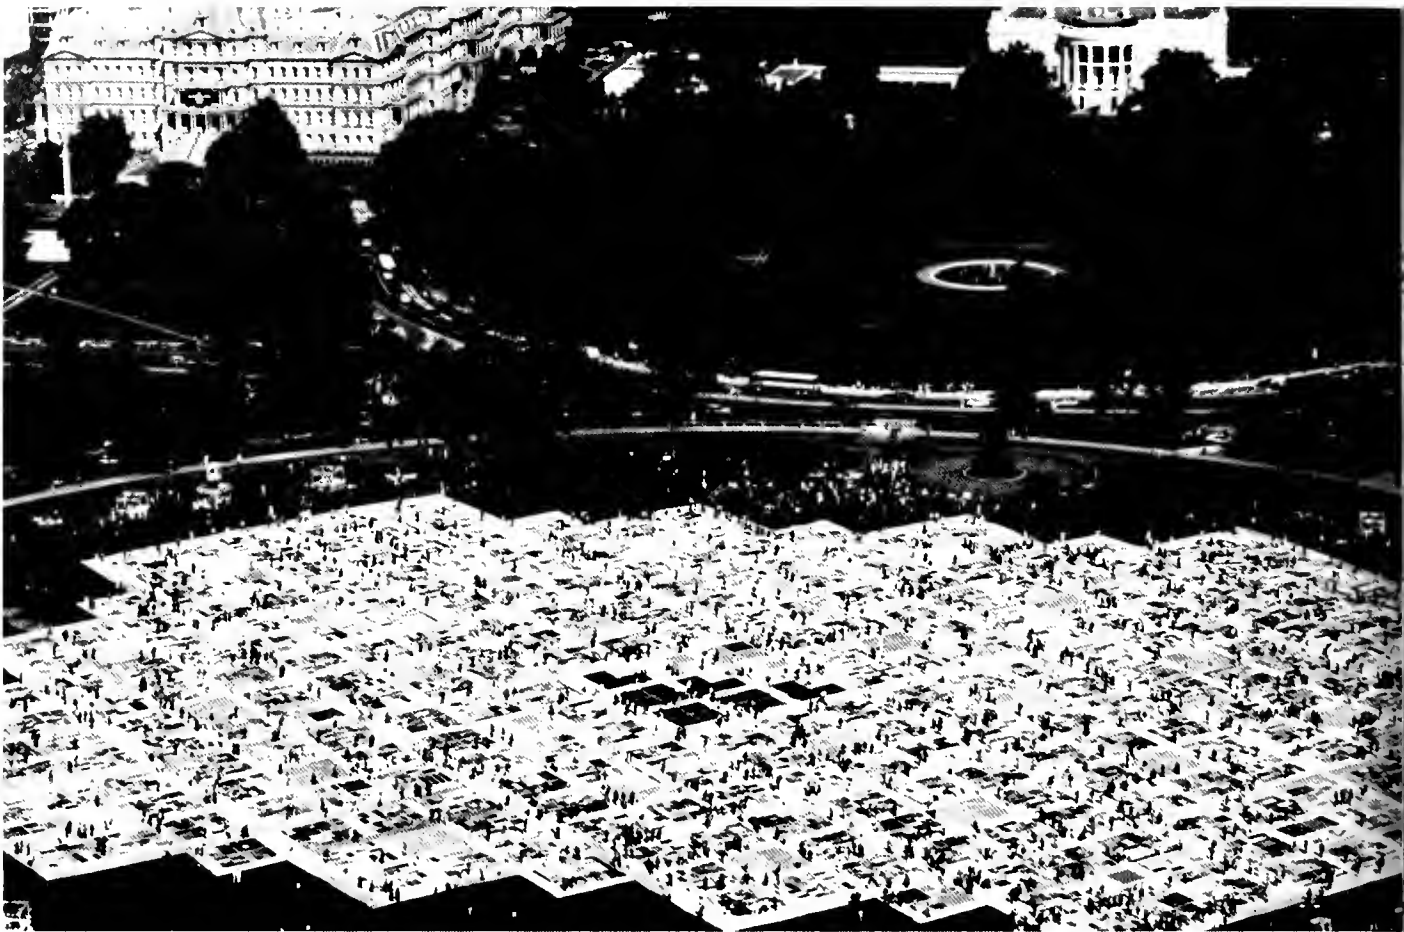

The Shuttle Discovery blasted into orbit in September, the first space flight since the shuttle Challenger mission ended tragically 73 seconds after liftoff on January 28, 1986. The Discovery ended its successful four day, 1.6 million mile mission with a triumphant landing at Edwards Air Force Base in California.

Forest fires spread throughout the western part of the country in the summer of 1988, destroying millions of acres of national parkland. The most heavily damaged was Yellowstone National Park.

The summer of 1988 was hit with the worst drought in many years. Throughout the Midwest, farmers watched helplessly as their crops went dry.

Amid tears and grief, thousands of people who had died of AIDS were memorialized in October in ceremonies centered on a huge quilt that was made from friends and family members of the victims. Each of the panels measured three feet by six feet and all 50 states and a dozen foreign countries were represented in the 375,000 square foot quilt.

1988
SUMMER
OLYMPICS

The stars of the 1988 Summer Olympics, clockwise from top: diver Greg Louganis won 2 gold medals; track and field star Carl Lewis won 2 gold (including 1 after Canadian Ben Johnson was

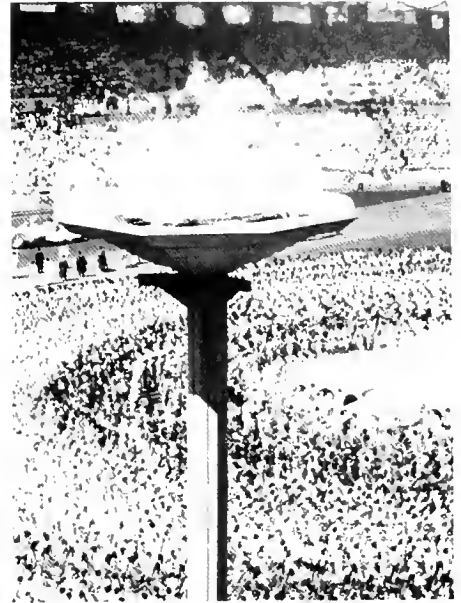

disqualified) and 1 silver; Florence Griffith Joyner won 3 gold and 1 silver; and swimmer Matt Biondi celebrated with 5 gold, 1 silver and 1 bronze.

The World Series belonged to the Los Angeles Dodgers. The Dodgers captured their sixth World Series title in October with a 5-2 victory over the Oakland A's in the fifth game of the series.

It was one of the big marriages of the year. Heavyweight boxer Mike Tyson married actress Robin Givens. But the stormy marriage of the 22 year-old rich boxer and the 23 year-old beautiful actress lasted less than a year. She filed for divorce. But after being accused of marrying "Iron Mike" for his money, Ms. Givens said she wouldn't take a dime.

The 1988 Summer Olympics in Seoul, South Korea opened with a dramatic and dazzling ceremony. A colorful, three-hour spectacle mixing ancient Korean with space-age technology kicked off 16 days of athletic competition.

Vice President George Bush, after serving for eight years in the Ronald Reagan administration, got the expected nod at the Republican National Convention in New Orleans in the summer of 1988. His

choice for running mate was unexpected — Sen. Dan Quayle of Indiana. The public opinion polls showed that the inexperienced 41 year-old senator was not a popular choice.

Jackie — you made my years here bearable. I'll never forget M & M fights in the lounge, group projects, turkey hill runs, and Dorito study sessions. You are a very special friend! Good luck in all you do! Love, Patty.

Kari,
To our favorite RA and friend. Your jokes, pranks, and humor will be missed and our lives will once again return to normal — although they will never be the same without your stupendous personality. Seriously though, we will miss you very much. We wish you lots of success in the future and hope you will remember the pyromaniac and study geek in

Elise, Sharon,
Jackie, and Terry,

Because you visit us so very often (and we do the same) there's no need to tell you how we feel. But in case it's slipped your minds - here goes. We will always remember Elise's advice, Terry's adoption of the social science, Sharon's

positive view of life in general and Jackie's loyalty to the cafe. We will miss you, keep in touch — because to us, you will always be our 3-East role models!

Love,

P.S. Jarod's shower will be missed.

Mom, Dad, &

It's sometimes hard to find the words to tell you all you mean to us on special times like this, but hope you will know somehow just what our hearts say when we send you this wish of love and pride. May you continue to strive for ideals in the future as you have in the past. "Detours" may come, but need not change your "destination".

— You made us proud —
Love,

Having a son like you
 is wonderful for a lot of reasons.
 But one of the special things about you
 that you probably don't realize
 is how much you've taught us
 through the years.
 Your interests, your opinions,
 your outlook on life
 have all given us
 an appreciation
 for so many things
 we would have missed otherwise.
 Even our differences
 have worked to show us
 a new perspective on things
 and teach us that our way
 isn't the only way . . .
 So, thank you, Scott,
 for the gift of your experiences,
 for the gift of you —
 and we only hope
 you may have learned from us
 some measure of all
 we have learned from you.

Mom & Dad

To our daughter Stacey:

Our love and best wishes for a happy, successful future.
 Congratulations! Love, Mom & Dad
 Best wishes to the Class of '89.

To Amy Justus:

'If we all had hearts like those which beat so lightly in the bosoms of the young and beautiful, what a heaven this earth would be! If, while our bodies grew old and withered, our hearts could but retain their early youth and freshness. Of what avail would be our sorrows and sufferings! But the faint image of Eden which is stamped upon them in childhood, chafes and rubs in our rough struggles with the world, and soon wears away: too often to leave nothing but a mournful black remaining.

'The heart of this fair girl bounded with joy and gladness. Devoted attachment to her sister, and a fervant love of all beautiful things in nature, were its pure affections. Her gleesome voice and merry laugh were the sweetest music of their home. She was its very light and life. The brightest flowers in the garden were reared by her; the caged birds sang when they heard her voice, and pined when they missed its sweetness. Amy, dear Amy; what living thing within the sphere of her gentle witchery, could fail to love her!

Congratulations, you did a great job!

Love, Mom & Dad

Michelle,

Since the day you were born you have been a joy to us and a pleasure to watch grow and mature. You will not need luck for the future, because the future is all yours to make whatever you wish!!

My son . . . Never forget to be truthful and kind, hold these virtues tightly, write them deep within your heart.

Have two goals: wisdom, that is knowing and doing right, and common sense, for they will fill you with living energy and are a feather in your cap.

If you must choose, take a good name rather than riches; for to be held in loving esteem is better than silver and gold.

We can always "prove" that we are right, but is the Lord convinced?

Commit your work to the Lord, then it will succeed.

For there is no difference between the Jew and the Gentile . . . For whosoever shall call upon the name of the Lord shall be saved.
